We will deduct all fees from your SIPP bank account. It is your responsibility to ensure that there are sufficient funds available in your SIPP bank account to settle our fees as they become due. All of our fees are subject to VAT in addition.

There are basic fees which cover the main work involved in setting up and operating the SIPP. There are also additional fees for the items of extra work that may apply. The fees are set out below.

Other fees to consider

This fee schedule sets out the fees that DP Pensions Ltd, as administrator of the Premier Trust charge for setting up and administering the SIPP. You should understand and keep under review the total charges that will be incurred by the SIPP on a yearly basis when deciding whether The Premier Trust SIPP is the right product for you. Other fees that may apply include, but are not limited to:

- Financial Advisers advice – this could be a one off or regular payment made to your financial adviser (if you have one) for the advice and services that they provide. Payment may be made directly from the SIPP bank account or directly from the Vermeer Partners investment account or by a combination of the two.
- Annual Management Charge (AMC) – this charge is a fee for the services that the investment manager provides. An average AMC is between 0.75% and 1% per annum based on the portfolio value. Notes on your Plan Bank Account

When you open a Premier Trust SIPP, we will normally open a Plan Bank Account which will receive all payments into your SIPP and pay out all benefits. Please note that all transfer and contribution monies received, including tax relief if applicable, are automatically transferred over to your Vermeer Partners account for investment. The rate of interest you will earn on money held within the SIPP bank account is variable.

Please note that DP Pensions Ltd receives payments from banks based on the aggregate cash balances held across all SIPP Bank Accounts. The amount that we receive is not fixed and will vary depending on the total cash balances held and on interest rates. We retain the additional amount to keep our administration charges competitive.

Details regarding the rate of interest you earn on your SIPP bank account and the rate of interest we retain can be found on our website <https://www.dapco.co.uk/>.
